Our goal has been to establish an Australian owned manufacturing company where quality products, technical expertise and customer service are paramount.

Competitive pricing, timely deliveries and engineering support are promises we aspire to achieve on a daily basis.

We strive to provide products of the highest quality, comparable to the best in the world, for all portable power applications.

Perfecting these goals is a commitment we make to our customers.

**Leading the way  
in providing the best  
battery for your application . . .**

# Alkaline Batteries

The Duracell range of Alkaline batteries provide professional performance for all industrial applications.

Available in AAA, AA, C, D, 6V & 9V sizes, at prices you won't see anywhere else - for such quality and reliability.

We also assemble Alkaline Packs to your specifications, please contact us for further information.
